

**MathLinks: Core (2<sup>nd</sup> edition)  
Grades 6, 7, and 8  
Pilot Information**

The Center for Mathematics and Teaching (CMAT) is currently offering pilots for our NEW *MathLinks: Core (2<sup>nd</sup> Edition)*. A teacher or school site may pilot one Student Packet of *MathLinks: Core (2<sup>nd</sup> edition)* for up to 40 students. Any additional Student Packets may be purchased for \$3.00 each. Along with student materials, teachers will have access to the online materials, which include the Teacher Edition, answer keys, slide decks to guide instruction, assessments, and many other packet resources. Introductory pilot support from an author will be provided virtually. For questions, please contact [cynthia@mathandteaching.org](mailto:cynthia@mathandteaching.org).

If you are interested in piloting our NEW *MathLinks: Core (2<sup>nd</sup> ed.)* materials:

1. Complete this form with your contact information and your grade level request. Send the completed Pilot Request Form to [cynthia@mathandteaching.org](mailto:cynthia@mathandteaching.org).
2. A CMAT team member will contact you to arrange delivery of student materials, set up a virtual overview session, and schedule a follow-up debrief call.
