

8-4 MATH TALKS

PICTURE TALK 4

Emphasize that there are many different ways to see a pattern grow and to represent it in equivalent symbolic expressions. Show students one set per day.

	Step 1	Step 2	Step 3
Set A			
Set B			
Set C			
Set d			

How is the pattern growing? Explain using words or with an equation. Use the sentence frame, "Start with ___ and add ___ each time" to help as needed.

What would the next picture look like in the pattern?

How many ___ would be in the 5th step? The 12th step?

Set A: Start with 3 rectangles and add 3 each time. Step 5: 15; Step 12: 36

Set B: Start with 5 circles and add 2 each time. Step 5: 13; Step 12: 27

Set C: Start with 1 star and add 4 each time. Step 5: 17; Step 12: 45

Set D: Start with 2 happy faces and add 3 each time. Step 5: 14; Step 12: 35

NUMBER TALK 2

A “Would You Rather?” question encourages students to think deeply about the relationships within and among the quantities to determine which is the better choice. Discuss one set per day. *Answers, preferences, and opinions may vary if justified. One explanation given for each.*

Set A

You need to read a 300-page book for your English class.
Would you rather...

Option 1	Option 2
Read 20 pages per night.	Read 45 pages every other night.

More pages read over time

Set B

You are earning extra money babysitting.
Would you rather...

Option 1	Option 2
Babysit 4 kids for 6 hours for \$45.	Babysit 3 kids for 8 hours for \$52.

More money per hour

Set C

You are driving to the beach and want to get there quickly.
Would you rather...

Option 1	Option 2
Drive 45 miles in traffic at a rate of 35 miles per hour.	Drive 100 miles in less traffic at a rate of 65 miles per hour.

Less distance and less time driving

Set D

You are in charge of purchasing sports drink for your soccer team.
Would you rather...

Option 1	Option 2
Purchase packages of 6 bottles at 12 oz each for \$5.00.	Purchase packages of 12 bottles at 9 oz each for \$9.00.

Cheaper per ounce

**Which option would you choose?
Be prepared to justify your reasoning.**
