

**8-4 MATH TALKS
DATA TALK A**

What could the horizontal axis represent?

The vertical?

8-4 MATH TALKS
DATA TALK A

*Does this represent an increase or decrease in population?
How do you know?*

*Does the change appear to be constant over time?
How do you know?*

*About how many times more people are there
in the US now compared to 100 years ago?*

*What could be some positive aspects about population growth?
Negative?*

8-4 MATH TALKS DATA TALK B

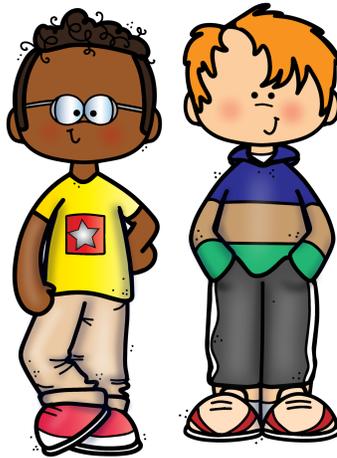

Boys in middle and high school sometimes use protein supplements and steroids.

What % have tried protein supplements?

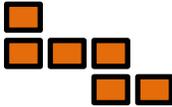

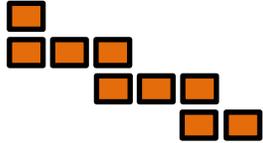

What number seems too low? Too high? About right?

What % have experimented with steroids?

What number seems too low? Too high? About right?

8-4 MATH TALKS PICTURE TALKS

	Step 1	Step 2	Step 3
A			
B			
C			
D			

There are many different ways to see a pattern grow and to represent it in equivalent symbolic expressions. Show students one set per day.

Use the sentence frame, “Start with ___ and add ___ each time” to help as needed.

How is the pattern growing? Explain using words or with an equation.

What would the next picture look like in the pattern?

How many ___ would be in the 5th step? The 12th step?

8-4 MATH TALKS NUMBER TALKS

A

You need to read a 300-page book for your English class.
Would you rather...

Option 1

Read 20 pages per night.

Option 2

Read 45 pages every other night.

B

You are earning extra money babysitting.
Would you rather...

Option 1

Babysit 4 kids for 6 hours for \$45.

Option 2

Babysit 3 kids for 8 hours for \$52.

C

You are driving to the beach and want to get there quickly.
Would you rather...

Option 1

Drive 45 miles in traffic at a rate of 35
miles per hour.

Option 2

Drive 100 miles in less traffic at a rate of
65 miles per hour.

D

You are in charge of purchasing sports drink for your soccer team.
Would you rather...

Option 1

Purchase packages of 6 bottles at
12 oz each for \$5.00.

Option 2

Purchase packages of 12 bottles at
9 oz each for \$9.00.

Discuss one set per day.

Which option would you choose? Be prepared to justify your reasoning.
